## Profile

---

### Abdullah Bashir (Munna)

Mollartek, Dakkhinkhan  
Uttara, Dhaka 1230

**+880 162 430 4370**

[abdullahbashirmunna@gmail.com](mailto:abdullahbashirmunna@gmail.com)

I have graduated in Jan 2022 and have since been working with the goal to be a web developer.

After working with PHP I studied the Laravel framework under SEIP. I have a solid understanding of OOP and know the basics of REST API. I am highly motivated, can adapt to new environments and learn fast.

I am currently looking for employment opportunities.

---

## Skills

---

Presentation

Teamwork

Leadership / Leading Projects

Language : Fluent in English and Bengali.

Programming : HTML, CSS, Bootstrap, JavaScript,  
PHP, MySQL, Laravel and Python

MS Office : Word, Excel, Powerpoint

---

## Experience

---

I led my team in the final year project of our university to create a website with HTML, CSS and vanilla PHP. Our project scored 3.75 CGPA.

I have been working with Laravel for a few months to create projects at Pondit.

Freelancing for Appen.
